## 10-12 MARCH 2014 | Hilton Tel Aviv – Tel Aviv, Israel

# EASTERN MEDITERRANEAN GAS CONFERENCE

On behalf of the Cyprus Chamber of Commerce, you're invited to bring a team of delegates to Gulf Publishing Company's second annual Eastern Mediterranean Gas Conference at a discounted rate of 10% off regular admission. Use the code CCC10 when you register online.

EMGC 2014 will take place in Tel Aviv Israel on 10-12 March 2014 with Noble Energy returning as host sponsor. The inaugural event, held in Nicosia, Cyprus in April 2013, was attended by 220 industry professionals and represented 26 countries and 4 continents. As the first international event in Israel with a global audience covering all segments of the oil and gas industry, EMGC is your opportunity to:

- Get informed
- Explore new business opportunities
- Expand your operations
- Make valuable contacts
- Be a part of the future of the oil and gas industry in Israel

Featuring presentations from government officials and top executives at operating, service and technology companies active in the region, the conference program will cover key issues and opportunities in the burgeoning Eastern Mediterranean natural gas industry. We'll discuss resource potential, export opportunities, project finance, petroleum taxation, regulations, antitrust, economic impact, infrastructure requirements, developments, gas processing and transportation fuels, the Leviathan and Tamar discoveries, and more.

### Keynote Speaker:

**Charles Davidson**  
*Chairman and CEO*  
Noble Energy

### Focus on Israeli Innovation Tour

Attendees may also register for this special pre-conference tour on 10 March. Supported by the Israel Export Institute and the Israel NewTech program, the tour will include a trip to the Sorek desalination plant, the largest desalination plant in the world, where attendees will learn about the plant's capabilities for

desalination and water treatment. The tour also includes a visit to one of the leading Aerospace, Defense and HLS companies in the world, where participants will be exposed to the advanced concepts and solutions being developed in order to protect and secure critical energy sources and facilities (includes visual demonstrations). The tour runs from 8 a.m.-4 p.m. and includes a continental breakfast and a box lunch. \$399 additional.

### Save 10% on Admission with Code: CCC10

Registration Type	10% Discount (with code: CCC10)	Regular Admission
Single Attendee	\$1,080	\$1,200
Team of Two	\$1,944	\$2,160
Group of 5	\$4,718	\$5,100
