CYPRUS CHAMBER OF COMMERCE AND INDUSTRY

20 February 2014

TO **MEMBERS**
CYPRUS CHAMBER OF COMMERCE & INDUSTRY

SUBJECT: **CYPRUS – POLAND: THE EXPLORATION OF MUTUALLY BENEFICIAL COMMERCIAL TIES WITH ONE OF EUROPE'S FASTEST GROWING ECONOMIES**

Dear Members,

Two decades in the making, Poland has become one of the best-performing economies in the world and investors are increasingly basing their central and eastern European operations in the country.

With a relative stability compared to other Central and Eastern European countries, Poland has not only kept attracting investments throughout the European crisis, but it has also been gaining repute as a *source of* FDI and in 2010, with $30.4 billion, it ranked 4th in the outgoing investment category, overtaking the Middle East.

For those reasons, the Cyprus Chamber of Commerce & Industry (CCCI), with the cooperation of the Polish Embassy in Cyprus has created the **Polish Cypriot Chamber of Commerce**, a business Association operating under the auspices of the CCCI. In its first year of operation, this Association seeks to strengthen ties between Cyprus and Poland by hosting events, providing business intelligence, organizing a business delegation to Poland and promoting the interests of its members.

We welcome you to meet and network with the existing members and to join the Association at our first social event of the year. This will be a perfect opportunity to learn more about the Association & the prospects of Poland for your business.

We look forward to welcoming and meeting you over drinks and conversation on:
