ΕΠΙΜΕΛΗΤΗΡΙΟ

Λευκωσία, 7 Νοεμβρίου 2014

ΠΡΟΣ: Όλα τα μέλη

ΘΕΜΑ: Εργαστήριο για το Πρόγραμμα DAEDALUS
14/11/2014 ΠΑΝΕΠΙΣΤΗΜΙΟ ΛΕΥΚΩΣΙΑΣ

Κυρίες / Κύριοι,

Σας πληροφορούμε ότι την Παρασκευή 14 Νοεμβρίου 2014 και ώρα 10:00 π.μ. – 12:00 μ. θα πραγματοποιηθεί ένα εργαστήριο και παρουσίαση του προγράμματος Daedalus. Το εργαστήριο θα πραγματοποιηθεί στο Πανεπιστήμιο Λευκωσίας, στην Αίθουσα M115.

Το πρόγραμμα Daedalus είναι μια πρωτοποριακή προσέγγιση που σχετίζεται με την αγορά εργασίας στις χώρες τις Μεσογείου. Το Daedalus σημαίνει «euro-meDiterranean cAreer & Employment aDvisor portAl for the mobiLity of yoUng residentS» και χρηματοδοτείται από το πρόγραμμα ENPI CBC Med Programme 2007-2013.

Το Daedalus είναι ένα τεχνολογικά εξελιγμένο εργαλείο που σχεδιάστηκε για να επιτρέπει σε νέους ανθρώπους, επιχειρηματίες και περιφερειακά και τοπικά γραφεία εργασίας να χρησιμοποιούν μια διασυνοριακή πλατφόρμα για να γίνεται αντιστοίχιση της προσφοράς και ζήτησης στην αγορά εργασίας.

Το εργαστήριο που θα πραγματοποιηθεί έχει 3 πυλώνες. Ο πρώτος είναι να ενημερωθούν οι επιχειρήσεις σχετικά με την συνεισφορά του προγράμματος Daedalus στην απασχόληση. Ο δεύτερος πυλώνας είναι να πειστούν οι επιχειρήσεις να χρησιμοποιούν την διαδικτυακή πλατφόρμα του Daedalus για να δημοσιεύουν τις κενές θέσεις εργασίας. Τέλος, για να βοηθήσουν οι επιχειρήσεις στη διάδοση του προγράμματος.

Για περισσότερες πληροφορίες σχετικά με το Πρόγραμμα Daedalus μπορείτε να επισκεφθείτε την ιστοσελίδα www.daedalusproject.eu.

Για να δηλώσετε συμμετοχή στο εργαστήριο παρακαλώ στείλτε email μέχρι 10 Νοεμβρίου 2014 στη κα. Γεωργία Σακκά (euromedac@gmail.com) δηλώνοντας το όνομα του ατόμου που θα παρευρεθεί και της εταιρείας σας.

Με εκτίμηση,

Παναγιώτης Παναγής,
Λειτουργός Τμήματος Εργασιακών Σχέσεων.

"This publication has been produced with the financial assistance of the European Union under the ENPI CBC Mediterranean Sea Basin Programme. The contents of this document are the sole responsibility of STS-Med Consortium and can under no circumstances be regarded as reflecting the position of the European Union or of the Programme's management structures."

"The 2007-2013 ENPI CBC Mediterranean Sea Basin Programme is a multilateral Cross-Border Cooperation initiative funded by the European Neighbourhood and Partnership Instrument (ENPI). The Programme objective is to promote the sustainable and harmonious cooperation process at the Mediterranean Basin level by dealing with the common challenges and enhancing its endogenous potential. It finances cooperation projects as a contribution to the economic, social, environmental and cultural development of the Mediterranean region. The following 14 countries participate in the Programme: Cyprus, Egypt, France, Greece, Israel, Italy, Jordan, Lebanon, Malta, Palestine, Portugal, Spain, Syria (participation currently suspended), Tunisia. The Joint Managing Authority (JMA) is the Autonomous Region of Sardinia (Italy). Official Programme languages are Arabic, English and French (www.enpicbcmcd.eu)."

Daedalus portal

Daedalus project has been financed by the European Union and the 2007-2013 ENPI CBC Mediterranean Sea Basin Programme for an amount of 1,745,472.60 million Euro (90%)

The offered services help and ease the matching of **job demand and supply needs** across the various countries participating in the project, with the aim to **meet the needs expressed in the labour market of Mediterranean basin** and to forecast the future needs. The project is promoted by a partnership of different organizations, enterprises and universities of Mediterranean basin to develop and **consolidate a transnational portal** focused on young jobseekers, firms, employers associations and institutions.

Daedalus project refers to:

- **University and Career Centers**, with the aim to focus on young people mobility in several professional fields, qualified students from Mediterranean basin, offering opportunities of interaction and exchange among European, North African and Middle eastern citizens
- **Young people, especially women**, to provide them with an adequate choice of job opportunities in the Mediterranean region by expanding the possibilities of a genuine recognition of their professional skills.
- **Employers, employers' organizations and trade unions**, providing them with an offer of qualified personnel with the aim of preparing the ground for new investment and for a virtuous economic development.
- **NGOs and governments** to strengthen their commitment to sustainable solutions and associates, identifying synergies and cooperation at transnational level through the use of new technologies for the exchange of know-how.
- **Local and national policy makers**, so as to enable them to reap the benefits of new technologies in their efforts to ensure the development of a suitable environment for the growth of a dynamic labor market and competitive.
