BIO AGRA 2015

Dear Sir or Madam,

During the XXIV International Agricultural Exhibition AGRA from 4 – 8 March 2015 will take place the IV edition of the specialized exhibition for organic plant growing and livestock farming **BioAgra**, organized by International Fair Plovdiv, in partnership with AVALON Foundation, the Netherlands and the Agroecological center of Agricultural university of Plovdiv

Major exhibition categories:

- ◆ Organic agriculture and livestock farming
- ◆ Organic products – non foods
- ◆ Organic farms
- ◆ Certifying organizations
- ◆ Consulting firms
- ◆ Nongovernmental organs and associations
- ◆ Organic products trade – organic shops, organic hotels, organic restaurants, etc.
- ◆ Specialized printed and online editions

Organic sector in the EU is developing rapidly and in the last decade the area of the EU land used for organic farming increased by an average of half a million hectares per year. Currently, the EU has over 186,000 farmings with organic production. Bulgaria is a country with great potential in this direction because of its nature, land clean from pollution, suitable climate, regulated and approved standards, and because of the image of a traditional producer of quality agricultural products.

We kindly ask you to participate in the IV edition of the specialized exhibition for organic plant growing and livestock farming **BioAgra** from 4 – 8 March 2015 in International Fair Plovdiv!
