AND WHY CYPRUS SHOULD BE INCLUDED”**

**SEMINAR: NOVEMBER 9, 2015,
HILTON PARK HOTEL, NICOSIA
(A SEMINAR THAT CANNOT BE MISSED)**

“Cyprus is quite popular among Chinese because of the buying property get PR plan. However, Cyprus has much to offer to Chinese such as life style, holiday destination, tax benefits and business hut to Europe. I am confident that more Chinese will treat Cyprus as a second home”.
Comment made by Mrs Hope Wang, Businesswoman and one of the speakers of last year’s seminar at the Hilton hotel in Nicosia.

Further than that, which still applies the Chinese government has announced a multibillion project called “One belt one road”, which aims at billion dollars investments in Europe.

For this ambitious project, we are organizing a half-day seminar, lining up quite a number of speakers from China and Europe that they have years of experience in soliciting Chinese investments.

Enclosed is a preliminary programme, with speakers and subjects covered.
