1. Services:

#### **Risk Consultation**

DIB is the only broker in Sri Lanka who has employed the expertise of an Independent Chartered Risk Engineer who will accomplish a complimentary Conclusive Independent Study on the clients Property and Operations; we can provide this service to the client prior to a placement thereby allowing them to evaluate the highlighted possible precautions and coverage's option which have not being currently implemented.

Page 4

#### Claims Management

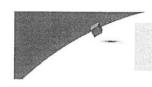

DIB can assist the client in the claim settlement process and ensure a prompt and fair settlement as we ensure that the necessary action will be taken and due priority will be given to their claim settlement; furthermore, the above mentioned Risk Engineer can also play a crucial part in the claim settlement process by carrying out an investigation to assess the damaged area or particular circumstance, alongside the respective insurer, thereby providing the client with a second set of expert information.

#### Insurance Policy Administration

We will ensure the maintenance of policy documentation and make certain that they are up to date (i.e. Proposal, Policy Schedule, Policy book, Invoices, SVAT, Inventory, Inspection reports). At the quotation stage, we will certify a thoroughly scrutiny of each individual policy and its respective terms & conditions. We are furthermore authorized to issue temporary cover notes thereby benefitting the client in terms of complete insurance coverage until the final policy documents are attained. Moreover, we will take the initiative in providing adversarial services to the respective insurer with regard to any amendments or/and enhancements of the risk within the specified policy period and thereon coordinate any relevant endorsements. Additionally DIB can partake in the collection of the required insurance premium within the agreed premium payment warranty period, thereby aiding the client in terms of reducing its administrative and operational work, thus allowing the staff to focus on matters of direct reliance to the organization hence increasing efficiency and effectiveness.

#### Tailored Service Delivery

We provide a complimentary Portfolio Review on the company, where our highly specialized and expertized underwriters will analyses the business operations of the company and find capacities which may lack insurance coverage, furthermore, we will evaluate all respective policies currently incorporated; additionally, DIB can develop a detailed service plan for any further implementation of the preferred insurance programme. It can therefore be stated that DIB has the ability and competence to provide the client with a tailor made programme in accordance to their requirements, thereby advantaging the clients with an overall improved and enhanced placement, achieved through a conclusive portfolio study and price efficiency.
