

Cyprus-Russian Business Association survey conducted by EY Cyprus

Dear Valued Associates,

We would like to invite you to participate in our first survey amongst Russian business people residing and/or operating in Cyprus, conducted by EY Cyprus on behalf of the Cyprus-Russian Business Association.

The survey seeks to assess and document the confidence, outlook, priorities, and potential obstacles encountered by Russian Business people in Cyprus, and examine how they plan to grow their organizations. Additionally, it aims to identify and document any particular problems they are facing and help develop solutions alongside the Cyprus Government.

You can contribute to this effort by taking the survey, which should only take approximately 10 minutes to complete. Please feel free to share the survey among your colleagues, teams, clients or any other Russian business person operating in Cyprus. We would like to assure you that all responses are **anonymous** and will be held in the **strictest confidence**.

Please follow the link below to participate in the study.

We would greatly appreciate if you could complete and submit the survey by **December 15th 2016**.

Thank you in advance for your participation. We look forward to sharing the consolidated results and analysis with you in the near future.

Sincerely yours,
