India International Agro Trade and Technology Fair 2018. New Delhi

Dear Sir,

It brings us immense pleasure to write to you in the light of India receiving accolades from across the globe for outperforming most emerging markets in per capita GDP growth and improved business and trade ecosystem. With improved and thriving agricultural industry, it becomes imperative to work towards pushing vibrant export and trade in and from India. The **AgroWorld 2018** (<http://icfa.org.in/agro-world/>), aims to showcase Indian food and agriculture prowess on a global platform and attract meaningful investment and push vibrant trade and commerce activity. The event is supported by the Ministries of Agriculture, Commerce & Industry and Food Processing Industries, Government of India.

The event involves all key stakeholders of Indian and global agriculture, industry, government, investors, trade and Institutions coming together on a common platform to share their vision and explore possibilities of agro food trade, technologies and investments in agriculture, food, dairy, poultry, fisheries, horticulture, agro machinery and agribusinesses sectors. Organized concurrently with **11th Global Agriculture Summit, 12 International Conferences, 40 Business Dialogue Sessions, 10 International Cooperation Meetings, Swaminathan Global Dialogue on Climate Change and Food Security** and the presentation of the **1st World Agriculture Prize**, the combined event is must for all the stakeholders in global food and agriculture system to participate.

We are pleased to invite your kind cooperation in reaching out and inviting all key stakeholders; agri food industry, institutions and officials from Cyprus to join and explore possibilities of trade, technologies, investment and cooperation.

Regards,

Suresh Sharma
