

The **NEW** CYPRUS GERMANY BUSINESS ASSOCIATION COMING SOON
Become a Founding Member!

Meeting of Founding Members:
20 November 2019, 12:30 sharp, at KEVE Bldg. Nicosia, 2nd Floor

We herewith have the pleasure to reach out to you with great news, relating to the restructuring of the Cyprus Germany Business Association (CGBA) as a non-profit company limited by guarantee.

With this move, the Cyprus Germany Business Association will be the first bilateral business association in Cyprus that will act as a legal body on its own, with the participation of the CCCI as a Founding Member and a Board Member.

We find it only fair to give to all current CGBA Members the possibility to become Founding Members of the new "Cyprus Germany Business Association Ltd". Any company that is currently not a member and would like to become a Founding Member of the new CGBA is more than welcome.

The first Board of Directors of the new CGBA will be decided at the Founders' Meeting, which will take place on 20 November 2019, at 12:30.

For any further information or clarifications, you may contact the Secretary of the Association Mr. Alexandros Ioannides by email at aiouannides@ccci.org.cy or by phone at +357 22889718.
