TO: All Members Cyprus China Business Association

The Cyprus – China Business Association is organizing an exciting and most informative workshop on

**CHINA: THE FUTURE
«China Company Incorporation: An Effective
Alternative to Attract Investors»**

Thursday 15th October 2020 at 15.00, KEBE Building 1st Floor

The workshop is FREE of charge and it will last for 2 hours

Every ambitious service provider wants to develop and deepen their relationship with the Chinese market. Nevertheless, relationships with Chinese counterparts often take time to build and require a great deal of personal contact.

Even though attending events and conferences act as an accessible entry point, it is not the most effective in terms of growing and furthering relationships. Real collaboration opportunities are instead brought about by frequent, face-to-face interactions with potential partners. Thus, incorporating your company and setting up an office in China provides a credible alternative to acquiring Chinese clients.

Workshop Agenda

- 1. Explore WHY incorporating your company in China can help you promote your business**
- 2. Understand HOW the incorporation process works**
- 3. Gain clarity on WHAT you require to incorporate your business**

The workshop will be facilitated by Costas Georgiou, International Legal Counsel, China Business Consultant. Mr. Georgiou resides in Beijing, speaks Chinese fluently and knows well the Chinese business environment and climate.

All you have to do is to complete the attached participation form.

Please be informed that limited number of seats are available due to COVID measures. All measures and guidelines are in accordance with the relevant protocols.

For any queries please feel free to contact us at 22889710 or 97889949.

Yours Sincerely,

Niovi Parisinou
