Dear Members,

Questionnaire on Trade and Cooperation Agreement between EU and the UK

As you are all aware of, the EU and the UK have reached on the Trade and Cooperation agreement applied from the 1 January 2021. In light of this, and in an effort to protect the interests of our exporters and importers we have created a short questionnaire where we would like your feedback relating to any issues you may have faced and whether we or the Cyprus Chamber of Commerce can be of any assistance.

The link to the questionnaire can be found at <https://forms.ccci.org.cy/questionnairecyuk> and will take no more than a minute or two.

We remain at your disposal for any issues that may occur.
