**Subject: ICC Interactive roundtable discussion
Human memory and fact witness testimony in arbitration disputes
(Online 15 July 2021 15.00 Cyprus Time)**

Dear Members,

We would like to inform you that International Chamber of Commerce (ICC) is organising an interactive roundtable discussion with North American and European members of the task force that prepared "**The Accuracy of Fact Witness Memory in International Arbitration: Current Issues and Possible Solutions**" report of the ICC Commission on Arbitration and ADR.

Tune in and learn more about this ground-breaking work, which benefited from the invaluable input of prominent experts in human memory, on how to maximize the accuracy of a witness' recollection of facts in international arbitration disputes. The panel will notably address the report's proposed measures and tools for the treatment of witnesses before and during hearing for the attention of counsel and arbitral tribunals.
