Race to Zero Virtual Workshop – Thursday 24 February 2022

The event is addressed to European businesses and will take place on 24 February 2022. It is a virtual workshop hosted by the Energy Saving Trust. This session will explore how businesses can meet the ambition of Net Zero through the lens of the Climate Champions' [2030 Breakthroughs](#) and the [Glasgow Breakthroughs](#), launched at COP26.

Those interested to attend should register here: [link](#).

Yours sincerely,

Menelaos Xenophontos

Officer

Department of International Relations and Economic Diplomacy
