RE: CYPRUS – POLISH BUSINESS FORUM ON IT & CYBERSECURITY

Sirs/Madams

In order to strengthen and deepen the economic and business relations between Cyprus and Poland, the CCCI, in cooperation with the Polish-Cypriot Chamber of Commerce in Cyprus and with the support of the Enterprise Europe Network of Cyprus (EEN), are organizing a Business Forum entitled "**IT FOR SECURITY AND SECURITY FOR IT,**" which will take place on 25 April 2023 at 10:30 am on the 2nd floor of the CCCI.

The aim of the Business Forum is for the **participating companies to be informed about the current situation, new developments and technological solutions in the field of Cybersecurity so that their operation in the new digital environment will be more effective, efficient and secure.**

The Forum will conclude with the **organization of business meetings** to explore and develop partnerships between Polish and Cypriot companies for commercial (including Public Procurement), and investment projects.

It should be noted that 6 companies from Poland will participate at the Business Forum which are interested in meetings with Cypriot companies. Below you can find the profiles of Polish companies and Event's Program.

If you are interested in attending the Business Forum and/or having meetings with the members of the Polish delegation, please register [HERE](#) **no later than Friday 21/04/2023.**

It must be noted that the event is under the auspices of the Polish Embassy in Cyprus and there is no participation fee.
