

Inauguration of ICC Women Network:

A Milestone for Gender Equality in the Workplace

The inauguration of the ICC Women Network took place on June 19, 2023, in the presence of the Cyprus Commissioner of Gender Equality, Ms. Josie Christodoulou representatives of embassies in Cyprus, and influential businesswomen. The ICC Cyprus Women Network consists of CEOs, prominent leaders, entrepreneurs and decision-makers in the business sector.

The ICC Cyprus Women Network operates under the auspices of the International Chamber of Commerce Cyprus Committee and Cyprus Chamber of Commerce and Industry and will serve as a platform for organizations to collaborate, share best practices, and implement strategies issued by the ICC, United Nations' Women's Empowerment Principles, and the Gender Equality Strategy 2020-2025 of the EU to promote and achieve gender equality in the workplace.

Through a range of initiatives, the network aims to advocate for the integration of gender equality principles into corporate policies and practices. Foster equal opportunities and career advancement for women professionals, ensuring their representation across all spheres of the organization.

For further information about the ICC Women Network please visit <https://icc-cyprus.org.cy/icc-women/vision/>

Registration is open to companies only and the subscription fee is €100 per year. ICC members can register for free. The application form can be found here: <https://forms.ccci.org.cy/icc-women-network-committee/>.
