Mr. Stavros STAVROU
President
Cyprus Chamber of Commerce and Industry

Dear Mr. President,

I have the honour to inform you that the Government of the Republic of Moldova is soliciting bids for the extension of the 400 kV Vulcanesti Substation, as part of the Moldova Power System Development Project, which encompasses plant design, supply, and installation, financed by the World Bank (see enclosure).

I would like to underline that the bidding process will follow a two-envelope format, without prequalification.

Interested companies in the implementation of this large-scale energy project in Moldova are invited to review the details on the website: <https://mepiu.md/rom/request-for-bids-plant-design-supply-and-installation-two-envelope-bidding-process-without-prequalification>

For inquiries regarding the application procedure, interested companies can contact the Moldova Energy Projects Implementation Unit at mepiu@mepiu.md.

In this context, I wish to kindly ask the assistance of Cyprus Chamber of Commerce and Industry in disseminating this information among Cypriot companies and business community interested in doing business in Moldova in the field of energy and infrastructure.

Thanking you for your assistance on this specific matter, we look forward to fruitful cooperation in the future.

Yours sincerely,

Andrei POPOV
Ambassador of Moldova

REQUEST FOR BIDS PLANT DESIGN, SUPPLY AND INSTALLATION (TWO-ENVELOPE BIDDING PROCESS, WITHOUT PREQUALIFICATION)

27 MAY 2024

Specific Procurement Notice

Request for Bids

Plant Design, Supply and Installation (Two-envelope Bidding Process, Without Prequalification)

Employer: *Moldova Energy Projects Implementation Unit*

Project: *Moldova Power System Development Project*

Contract title: *Extension of 400 kV Vulcanesti Substation*

Country: *Republic of Moldova*

Credit No.: *6380-MD*

RFB No: *6380-A3.1*

Issued on: *May 27, 2024*

1. The Republic of Moldova has received financing from the World Bank toward the cost of the Moldova Power System Development Project (Project), and intends to apply part of the proceeds toward payments under the Contract for Extension of 400 kV Vulcanesti Substation. For this contract, the Borrower shall process the payments using the Direct Payment disbursement method, as defined in the World Bank's Disbursement Guidelines for Investment Project Financing, except for those payments, which the contract provides to be made through letter of credit.

2. The Moldova Energy Projects Implementation Unit (MEPIU) now invites sealed Bids from eligible Bidders for Plant Design Supply, Installation, Testing and Commissioning for Extension of 400 kV Vulcanesti Substation. The existing Vulcanesti substation includes circuits at voltage levels of 400 kV, 110 kV and 35 kV. The Substation extension is necessary to accommodate the new 400 kV OHTL to be constructed within the Project. To allow the connection of the new 400 kV OHTL to Vulcanesti SS, it is necessary to install fully equipped and integrated facilities that are ready for operation, including (but not limited to):

- one new 400kV bay for OHTL 400 kV Vulcanesti - Chisinau, including interfaces related to telecommunication, protection and control.

- one new set of teleprotections for OHTL [400 kV Vulcanesti - Chisinau](#), including both ends of the line.

The construction period is estimated to 16 months from the contract signing.

3. Bidding will be conducted through international competitive procurement using a Request for Bids (RFB) as specified in the World Bank's "Procurement Regulations for IPF Borrowers" dated July 2016, revised November 2017 and August 2018 ("Procurement Regulations"), and is open to all eligible Bidders as defined in the Procurement Regulations.

4. Interested eligible Bidders may obtain further information from MEPIU and inspect the bidding document during the office hours from 09:00 to 17:00 local time at the address given below.

5. The bidding document in the English language may be purchased by interested eligible Bidders upon the submission of a written application to the address below and upon payment of a nonrefundable fee of Moldovan Lei 2,500.00 (two thousand five hundred MDL, 00 bani), in the case of collection from the MEPIU office at the address stated below, or EUR 250.00 (two hundred fifty Euro, 00 eurocents) net of bank charges, in the case of courier delivery, or EUR 50.00 (fifty Euro, 00 eurocents) net of bank charges, in the case of distribution electronically. A Proof of payment, in form of a SWIFT payment confirmation, shall be presented physically or through email, for delivery of the Bidding Document. The method of payment in both cases, will be by bank transfer to one of the accounts listed below:
