## How to get funded through the EIC Accelerator

We would like to inform you that the EEN2EIC in cooperation with the Agrifood Sector Group of Enterprise Europe Network are organizing an online training session for companies with highly innovative deep tech solutions.

This event aims to showcase European funding opportunities available through the EIC Accelerator program. During the session, participants will receive a comprehensive overview of the EIC Accelerator program, learning about its structure, benefits, and application process.

Additionally, attendees will gain valuable insights from firsthand experiences shared by successful applicants. These testimonials will provide practical tips and strategies on how to navigate the application process effectively.

Furthermore, the Enterprise Europe Network will present how they can support your company in preparing and submitting your application. Their expert guidance can significantly enhance your chances of securing funding.

Don't miss this opportunity to discover how the EIC Accelerator can propel your deep tech innovations forward. Join us for an informative and inspiring session designed to equip you with the knowledge and resources needed to succeed.

### Event Details:

- Date: 07.10.2024
- Time: 11:00-13:00CET
- Platform: online, MS-Teams
