Cyprus Chamber of Commerce and Industry in the context of its continuous effort to open new roads and prospects for Cypriot companies, announces the establishment of the Cyprus-Baltic States Business Association, with the goal of promoting, expanding and encouraging economic and trade relations between Cyprus and the Baltic States.

The primary aim of the Business Association is to promote, expand, and strengthen collaborations between businesses in the Republic of Cyprus and those in Estonia, Latvia, and Lithuania.

Moreover, the Association seeks to showcase the dynamic elements of the Cypriot economy, focusing on the vast potential for partnerships and investments.
