PRESS RELEASE

CCCI Leads Digital Transformation and Seeks Trainers in Artificial Intelligence, Virtual Reality, and Social Innovation

The Cyprus Chamber of Commerce & Industry (CCCI), in collaboration with the Center for Social Innovation (CSI), is inviting professional trainers to participate in the EULEP “Train-the-Trainers” (TtT) sessions. This initiative is part of the [EULEP](#) project, co-funded by Erasmus+, with the goal of promoting lifelong learning and professional development across Europe.

Who Can Participate?

The TtT program is open to trainers of all levels who wish to expand their expertise in **Artificial Intelligence (AI), Virtual-Mixed Reality (VR), and Social Innovation (SI)**. While some familiarity with technology is recommended for the VR sessions, no prior experience is required for the AI and SI sessions.

Benefits of Participation

Participants will have the opportunity to:

- Gain FREE access to educational materials through the EULEP platform.
- Attend live sessions led by industry experts:
 - [Monica Odysseos](#): AI expert with a focus on strategy and ethics.
 - [Minas Kyriakou](#): Specialist in VR and MR technologies, enhancing learning through technology.
 - [Maria Evgeniou](#): Social Innovation expert, focusing on inclusive training methodologies.
- Receive a Certificate of Completion and join a European network of trainers pioneering digital transformation and social innovation.

Limited Spots Available!

Only 15 spots are available for each field (AI, VR, and SI). Applications will be processed on a first-come, first-served basis, so don't miss your chance to secure your spot!
