**Subject: Minds in Cyprus – Update and New Destinations for 2026**

Dear Members,

The Cyprus Chamber of Commerce and Industry (CCCI) is pleased to inform you that following the successful launch of the “**Minds in Cyprus**” initiative in 2025, developed as part of the Government’s Action Plan for the Repatriation of Talent, the initiative will return in 2026. “Minds in Cyprus” has attracted significant interest from **highly skilled Cypriot professionals** in the diaspora. Further information about the initiative is available on the dedicated website: [www.mindsincyprus.com](http://www.mindsincyprus.com).

For 2026, **three major international events** have already been scheduled under the “Minds in Cyprus” initiative. During these events, the Cyprus Presidency will present the Government’s action plan and the **incentives offered** to highly skilled Cypriot professionals to support their return to Cyprus. At the same time, the events will provide an excellent opportunity for Cypriot companies to **connect with high-calibre professionals** and explore potential employment and repatriation opportunities.

The planned events will take place as follows:

- **United States (New York and San Francisco) – March 2026**
- **Greece (Athens or Thessaloniki) – June 2026**
- **United Kingdom – October 2026**

Firms interested in participating in one or more of the above events are kindly invited to express their interest [\*\*HERE\*\*](#), to facilitate better coordination and planning.
